

ADELL ASSOCIATES is honored to announce this new partnership with the BBB for families and businesses.

Better Business Bureau Identity Theft Introduction Letter

April, 2011

Introducing a valuable new benefit for BBB Accredited Business.

The Better Business Bureau of Greater Kansas City, Inc. has formed a strategic partnership with **Adell Associates**, representing **Pre-Paid Legal Services, Inc.** and subsidiaries, to provide you and your employees with Identity theft protections and other potential beneficial services, available to Accredited Businesses.

Adell Associates will be contacting you to set up a short presentation to show how they can help your business and employees. There is no financial obligation to hear about their comprehensive **Identity Theft Shield** and **Legal Service Plans** for families and businesses.

After you learn about their program, you may want to have the services presented to your employees as a voluntary benefit at no direct cost to the company.

Please contact our office if you have questions, 816-421-8188 or members@kansascity.bbb.org. You may also contact Adell Associates directly at 913-780-2375 to schedule an appointment or to learn more.

Sincerely,

David Buckley
President
Better Business Bureau of Kansas City
